

We will **fight** for our patron no  
matter what it takes!!!!!!!!!!!!!!

We look at it as an opportunity not as a liability.

Proof- Deb Bowmik , applied for HSMP on March 29<sup>th</sup> 2007 , rejected on 20<sup>th</sup> April 2007 , opulentus applied for a request of Review on May 5<sup>th</sup> 2007 , again got rejected on 29<sup>th</sup> May 2007 , Opulentus Legal cell has complained on the HSMP Complaint Cell and on 14<sup>th</sup> August 2007 got the approval. Not to say that we will never see that a case needs so much attention (Thanks to our impeccable research and development team ) , but when required we will raise to the occasion.
